

**TOWN OF
DAYTON, INDIANA**

UTILITY BOARD

SETTLED 1827

INCORPORATED 1970

**Minutes of
December 12, 2022**

These minutes are not intended to be a verbatim transcript.
Audio of this meeting can be found at dayton.in.gov.

TOWN COUNCIL:

Jen Manago, Town Board President
Stan Kyger, Town Board Vice President
Ron Koehler, Utility President
Carla Snodgrass, Utility Vice President
Marc Buhrmester, Council Member

CLERK-TREASURER:

Utility President Ron Koehler called the meeting to order. In attendance were Council Members Jen Manago, Carla Snodgrass, Stan Kyger and Marc Buhrmester. Also present were Town Attorney Alicia Albertson, Town Manager Mark Harlow, and Marshal Taylor.

Attorney

Utility Superintendent Report

- PFAS Testing. Required by state was sent in on November 29 and waiting for results.
- Cost Recovery – Mail received dealing with cost recovery legal services if treating water is necessary after PFAS testing. Referred to Alicia.
- Meter Antenna supply. There will be a 6 month wait for antennas in 2023 so he’s bringing in 12 to have on hand.
- Continuing Education Hours. He’ll do the online option.
- Baker Farms Irrigation System. Milakis asked to not be billed in the winter. Goes against our policy not to bill.
- Haggerty Meter House. Needs lights. Will replace with LED at \$45 each.
- Fall lift station maintenance was completed. Bill is \$1900.
- State Road 38 and Dayton Road. Traffic analysis by INDOT showed no need for traffic signal.
- Dayton Road and Main. Stop sign has been installed.
- East SR 38 Radar sign is up.
- South Dayton Road Radar sign is up.
- CCMG remaining details described.
- Stormwater at 516 Marquis. Repair has been made. Will need finished in the spring.

-Tippecanoe County Stormwater Meeting. Met in December. Will increase street sweeping to every other month through the summer. Stormwater inlets will need inspected and cleaned if necessary.

-Yost Road right of way. Isn't being plowed so we need to decide what to do. He has worked with a Veterans' Organization before that plants Prairie Grass.

-He has some vacation days he'll schedule around town projects.

-Alicia reviewed the Cost Recovery letter Mark described earlier. Mark will ask them to make oral presentation.

Adjustment Report

How adjustments were calculated was discussed.

Stan made a motion to approve the Adjustment Report. Carla Seconded. Roll call vote. Mark-yes. Stan- yes. Jen- yes. Carla- yes. Ron- yes. 5-0.

Public Comment

- Mark described two homeowners who had concrete work while our Street projects were being done. One of them was mistakenly billed to the town. We need to send bill to DeBord at 281 Conjunction for 7.2 square yards totaling \$648. Council does not want this to happen in the future.
- Resident asked about a 4-way stop at 38 and Dayton Road. Alicia explained that the state decides because it's a State Road.

Reports of Council Members

Ron thinks we should decide if we are or are not going to change the ordinance on Water credits to allow for more than it currently does.

Ron Koehler adjourned the meeting.

Attest:

Jen Manago, Council President
