

TOWN COUNCIL
TOWN OF DAYTON, INDIANA
ORDINANCE NO. _____

AN ORDINANCE AMENDING ORDINANCE CHAPTER 52.06: TAP PERMIT

WHEREAS, Indiana Code § 36-1-3-4 provides a municipality all powers necessary to conduct its affairs, even if not expressly granted by statute;

WHEREAS, the Town of Dayton, Indiana, (hereinafter the “Town”) adopted Chapter 52.06: Tap Permit in Ordinance No. 96-11 on December 9, 1996, and such Chapter was amended in 2021; and

WHEREAS, the Council believes it is in the best interest of the Town to amend Chapter 52.06 to revise the fee schedule to reflect the current cost of materials and to account for inflation.

NOW, THEREFORE, BE IT ORDAINED BY THE TOWN COUNCIL OF THE TOWN OF DAYTON, INDIANA, AS FOLLOWS:

1. The Town of Dayton, Indiana, Code of Ordinances is hereby amended by amending and restating Chapter 52.06 as follows:

§ 52.06 TAP PERMIT

(A) Prior to making any tap into the conduit mains of the Town or connecting any service lateral thereto, the owner, or his or her agent, shall make application therefor to the Town upon forms furnished therefor. The application shall be accompanied by plans, specifications, plat plan showing the location of the service lateral and point of connection to the waterworks, and any additional information that the Board or the Superintendent may require. Except for owners in Prestwick Manor subdivision, a connection fee in the amount of \$600 for a tap of five-eighths (5/8) inch diameter shall be paid to the Utility Service Board at the time the application is filed. If the tap is greater than five-eighths (5/8) inches, the fee shall be the cost of time and material in addition to \$600. A permit and inspection fee of \$25 shall be paid to the Utility Service Board at the time the application is filed. In Water V-11 addition, the owner shall pay to the Utility Service Board the sum of \$35 as deposit for use as hereinafter provided. The Superintendent shall issue the permit within seven days of filing the application, or within the time notify the owner, or his or her agent, what is additionally required before the permit will be issued.

(B) The connection to the Town waterworks shall conform to the requirements of the building and plumbing code, any conditions on the permit, and other applicable rules and regulations of the Town.

(C) The owner, or his or her agent, shall notify the Superintendent or the Clerk-Treasurer prior to covering any excavation when the connection is ready to be made. The connection shall be under the supervision of the Superintendent, who shall also inspect the service lateral and approve same.

(D) All excavations for service lateral shall be adequately guarded with barricades and lights so as to protect the public from hazards. Streets, sidewalks, parkways, and other public property disturbed in the course of the work shall be restored in a manner satisfactory to the Town.

2. This amendatory ordinance shall be effective retroactive to April 1, 2023, after public hearing as required by Indiana law.

Adopted _____, 2023.
