**Public Comment**

**Ron Koehler – Shady Lane:** Ron stated he had a couple comments, 1) Regarding the people wanting to have land around Masonic Lodge annexed, he suggests the town not approve any annexation until all requests or requirements wanted by the town are met. He stated the developers will not go to the county because the county requires 1 acre lots. This gives the town an advantage and he believes it is in the best interest of the town to do this before annexing any property; and 2) Duplexes along railroad tracks are a negativity; this is only done when there's no other option.
