NEW RESIDENTS

Welcome to Dayton! The Dayton Police Department extends a warm welcome to you. Below is a condensed overview of ordinances that we consistently enforce, which may differ from the laws in your previous jurisdiction:

1. After trash pickup, please relocate trash containers from the curb to your residence, preferably out of sight.
2. Make special arrangements for the disposal of large items like furniture that do not fit into regular trash containers. Do not leave them at the curb, as our regular pickup service does not handle such items.
3. Keep garbage, junk, or any waste out of sight from streets or alleys.
4. Yard waste, including grass and limbs, will not be collected, and should not be left at the curb.
5. Visit dayton.in.gov for leaf pickup schedules and guidelines.
6. Ensure regular mowing of yards and avoid blowing grass and leaves onto sidewalks or streets.
7. Yard parking, including the area between the sidewalk and curb, is not allowed.
8. Prohibit parking on and blocking sidewalks, including the driveway area where the sidewalk crosses.
9. All vehicles visible from the street or alley must be in working condition and have current license plates.

We appreciate your cooperation. Thank you for your assistance.
